Cellars

The wooden cellars are the perfect choice for those who want to give prestige to their product.

In these wooden displays, wines, oils or liqueurs find the ideal location, which enhances their natural and refined qualities.

The knock down wooden display is shipped and stored flat for space saving efficiency.

In order to follow our environment responsibility path we decided to use only water-based colors to paint the wooden displays we produce. This kind of color enhances the veins and gives a final tone slightly opaque but still warm and catchy. A painted display is the best way to showcase your products in a more appealing way.

Natural

Walnut

Black

White

Red

Orange

Yellow

Light Green

Dark Green

Light Blue

Blue

Fuchsia

We can also customize the final colors using specific given codes (Pantone, RAL, etc.)
