Shopfitting

If you are looking for furnitures for your store or you need to set up the fair stand, this is the category for you: tables, chairs, hangers and receptions.

Thanks to the interlocking system, the transport and assembly are very simple and you won't need any hardware or glues.

They are much more than fair pieces, they are real shop furnishing elements!

In order to follow our environment responsibility path we decided to use only water-based colors to paint the wooden displays we produce. This kind of color enhances the veins and gives a final tone slightly opaque but still warm and catchy. A painted display is the best way to showcase your products in a more appealing way.
